

DIPLOMA OF ENGLISH LANGUAGE

The Diploma in English Language aims to equip students with linguistic knowledge, critical reading, writing, listening, speaking, and literary skills in English. These knowledge and skills are essential in mastering the language and its components. This programme also enables students to possess self-confidence, and to be equipped with innovative ideas and profound language-related knowledge. The students are expected to meet the challenges of the future with tertiary-level knowledge, positive attitudes and assurance upon graduation.

The Diploma in English Language is designed to provide students with a comprehensive foundation in the English language, enhancing their linguistic proficiency for academic, professional, and social purposes. This program is ideal for individuals seeking to improve their communication skills, broaden their career opportunities, and excel in global settings where English is a primary medium of communication.

With an emphasis on practical application and interactive learning, the program equips students with essential language skills, including reading, writing, listening, and speaking, as well as a deep understanding of grammar, vocabulary, and pronunciation. Whether you are preparing for higher education, professional growth, or personal development, this diploma program offers the tools and confidence needed to master the English language.
